Expectations from Schools Participating in the YES Program

All participating schools should agree to the following and a school official is required to sign and stamp at the end of this document.

- Announce the program school wide by displaying the posters and materials at prominent places in the school/organization.
- Distribute 'Preliminary Application' to all interested students who wish to apply.
- Make an effort to reach talented students from their schools, who otherwise could not afford such an opportunity.
- Provide additional information upon request to iEARN-SchoolNet-Cameroon officials, about students' family background, health and behavior.
- Provide logistical support to iEARN-SchoolNet-Cameroon that may include; space for conducting tests, interviews and parents and students' orientation sessions. The space would be requested depending on the availability in the school.
- Attend any meetings or orientation programs and events organized by iEARN-SchoolNet-Cameroon focused at iEARN-YES program.
- **Commit to re-integrate the student in the school upon their return to Cameroon, after the completion of the program.**
- Take responsibility of mobilizing students for Youth Volunteering and Community Services upon their return to Cameroon, after the completion of the program.
